MESSAGE SENT ON BEHALF OF JANE HILLSTON AND JOY CANDLISH

Dear Antreas

Congratulations on being nominated for a Staff Award. Thank you again for all your hard work throughout the last year.

We have included below more information about your nomination.

For his love for the Machine Learning Practical (MLP) course and what it represents for its students' development. Antreas consistently goes above and beyond what is required of him as a TA for the course. His creative ideas, willingness to debate, his openness and availability to students and colleagues, have been a great boon to MLP, and me personally.
